City Council has directed that the 2015 draft budget for all City tax-supported programs be prepared on the basis of a maximum 2 per cent tax increase.

Before Council considers final budget recommendations on Wednesday, March 11, there will be several opportunities for public consultation:

Mayor Jim Watson has launched an online pre-budget public consultation, asking residents to provide input via email at budget2015@ottawa.ca and through Twitter by using hash tag #ottbudget.
